

TAKING THE WORD OF GOD TO THE SPANISH-SPEAKING WORLD

On April 19th, 2021, my wife and I flew from Panama to Austin, Texas, to work at World Video Bible School facilities recording and editing the Genesis course (18 lessons), designing the Spanish Bible School website, and working on those things that might not be visible but are needed for the work.

We are happy to announce that escuelabiblicaenlinea.org is live for our Spanish-speaking communities. Those who speak English can get a glimpse of what the School is as well as watch a short video about the work of the Lord that we are blessed to do at spanishbibleschool.org.

The School's aim is to have 45 courses covering all of the books of the Bible. These courses will be made available as soon as they are fully translated, adapted into Spanish, proofread, recorded, edited, uploaded and published into the School website. As you can see, each course involves a lot of work.

The day after the School's website was launched, we got this wonderful message:

“God bless you greatly in your work. I woke up at 5:00 a.m. today to start with the Genesis course. Lord willing, I will be doing the Genesis course on Monday mornings. I hope I can do the same with upcoming courses and thus grow more and more in the knowledge of the Word of God. I am very excited to continue learning more.” – Costa Rica

Messages such as this one are very encouraging. Our goal is to take the Word of God to the Spanish-speaking world, of more than 400 million souls.

The Lord's work relies on the support of faithful Christians and congregations of the Lord's Church. We are very thankful to God for those who are currently supporting the School. Please, **be part of this great work.** Would you or your congregation help the School to reach these millions of souls? **His work must have your help now to reach these souls!**

Very soon we will be launching three short videos on *Who is the Holy Spirit?*, *Do I Need to be Re-baptized?*, and *The Sabbath Day*. As with previous topical and evangelistic videos, these will be available at buscandolaverdad.org, and other video sources such as YouTube, Vimeo, and the WVBS Roku App.

If you would like to get more details about the School, feel free to reach out to me or WVBS. You will also find the contact information of the congregation who oversees this work of the Lord below.

May God bless you and your family richly today and always!

To Him be the glory!
