

## A VERY NEEDED WORK OF THE LORD

We just returned to Panama after almost two months in America. We made a lot of progress on the Spanish School and also got to meet with several of the supporters of this work of the Lord and provided updates about the progress of the School. Since the website [escuelabiblicaenlinea.org](http://escuelabiblicaenlinea.org) was launched, there have been some who asked about how to enroll in the School, while others enjoyed the opportunity to audit the course on the book of Genesis. The word is out and we got messages like the following.

*“Your translations of these videos have been greatly needed for many years, so Thank You for all your help...”* – California

*“I just wanted to thank you for such good lessons. Keep on with the true word of the church of Christ. To God be all glory”* – New Jersey

After I finished delivering my Mission Report to the brethren at Forest Hill Church of Christ in Memphis, TN, several brethren came to talk to my wife and me and there was a common message from their words: *“We did not know how much work you have done and still do to reach the Spanish-speaking world. Thank You!”* We are indeed thankful to our heavenly Father for the blessing of allowing us to do this work. It is a lot of work, but we know we are not doing it alone. He is with us, and you are with us too! This is not a work of the Retanas household, but a work of the Church of Christ. Everything we do is for the glory of God and not ours. All the resources available online are free for everyone, but to make them available we rely on the contributions of faithful members and congregations of the Lord’s Church to cover the expenses and operation of the School. We are deeply grateful to all of the supporters of this work of the Lord, and all of you are always in our thoughts and prayers.

Three new videos, as announced in the previous issue, are now available at [buscandolaverdad.org](http://buscandolaverdad.org). The one on *Do I Need to be Rebaptized?* is getting noticed by the Hispanic brotherhood as it is a topic that has not been handled publicly before but being asked several times.

What are we working on right now? We started to translate the course on the gospel according to Luke. We are also working on getting the book *The Truth About Moral Issues* by Don Blackwell translated into Spanish. Eight lessons from that book will be recorded on video.

If you would like to get more details about the School, feel free to reach out to me or WVBS. You will also find the contact information of the congregation that oversees this work of the Lord below.

**May God bless you and your family richly today and always!**

**To Him be the glory!**

The short video on *The Sinner’s Prayer* has reached over 260,000 views.
