

## “GOOD TIDINGS OF GREAT JOY”

The words that serve as the title for this month's issue are taken from the mouth of the angel that spoke to the shepherds in the field while he was announcing the birth of our Savior, which is Christ the Lord (Luke 2:10-11). The same words also serve as the subtitle of our upcoming course, the Gospel according to Luke. Recently, one of the comments we got from those who visit our websites and study with us said,

*“Thank you for preaching the Truth, the good news of salvation” - Venezuela.*

Lord willing, I will be flying to Texas this coming October to record the lessons on the book of Luke at WVBS studios. The book on *The Truth About Moral Issues* by Don Blackwell is already translated and we are working on some final details on the layout, to make it available, free to download, via [buscandolaverdad.org](http://buscandolaverdad.org).

God has blessed us in ways we cannot describe. My wife has been recovering very well from her surgery, and, while she is not going to travel with me this time, she has been of great help in proofreading many of the materials mentioned. There is one more work we finished this month, which is the Spanish version of the Bible study for Ladies by Cindy Colley, *Digging Deep in God's Word*, which is the fifth yearly study we have completed. It is of great help to our Spanish-speaking ladies.

As our videos become more and more popular, we keep getting emails from people from Latin America (and some from the US), asking us how they can be baptized, or how they can study with someone locally. Sometimes, this becomes a big problem because the contacts we have in those countries might be several hundred miles away from where they are. We are starting to collect contact information of faithful and sound preachers/congregations to whom we can refer these contacts to help them in learning the Gospel and obeying it. If you know of faithful missionaries in Latin America which you support or recommend, please let us know their information so we can keep them in our records. That will make it a lot easier for us to help these souls to reconcile with God.

As you can see there is a lot of work to do! There are lots of people in this world in need of hearing the good tidings of great joy. You can be part of these efforts with your financial help, prayers, and encouragement, which are always appreciated.

If you would like to learn more about the School, please feel free to contact me directly. WVBS can also provide helpful information, or the University church of Christ who oversees this effort.

**May God bless you and your family richly today and always!**

**To Him be the glory!**

The Spanish video on *Do I Need to be Re-Baptized?* has had more than 1500 views in less than 2 months since its launch.
