

GLORY TO GOD IN THE HIGHEST

As this year is coming to an end, and we get ready to start 2022, we must remember who is the One who deserves all glory, our God. There is no doubt, this has been a challenging year, and no, there is no magic trick that will take away this pandemic on January 1st as some people thought last year. However, there have been a lot of blessings and, regarding the work of the Lord we are blessed to do, let me share some of them:

1. The course on the book of Genesis (18 videos and +120 pages of course notes).
2. The course on the book of Luke (27 videos and +200 pages of course notes).
3. The School website was launched.
4. Five topical videos were recorded, edited, and published.
5. One book (The Truth About Moral Issues) has already been translated and is soon to be published.
6. Hundreds of emails were replied to with answers about the School, the Church, the Truth, etc.
7. Several congregations were visited to promote/let people know about the School.

Let me also share one of the messages we received recently,

“I want to be part of the School. I have loved learning the truth through you, focusing solely on what the Word of God reveals to us” – Colombia.

This comment summarizes the purpose of the work we are blessed to do, to teach the truth of the Word of God. We are thankful to God for allowing us to do that. We are thankful to many of you because your help allows us to do this work. We are also thankful to many of you that might be considering supporting this work of the Lord. There will be lots of new materials to work on this coming year, but there is also a big challenge, and that is our move to Texas. Please pray that our paperwork gets done smoothly and quickly. Please also pray that we can raise enough funds to cover not only the move but living there. More than that, the School has additional costs that need to be covered, and help is always appreciated.

Though hard work, we are thankful to God for being able to do it, with His help and your help. In everything we do, let us always give glory to God in the highest! We pray this coming year to be a wonderful and prosperous one for you and your families.

If you would like to know more about this work or would like to become a supporter, please feel free to contact WVBS, the University church of Christ, or me directly.

May God bless you and your family richly today and always!

To Him be the glory!
