

## WE MADE IT

On our previous newsletter, we mentioned about the upcoming travel to Texas. We are glad to report we made it safe and sound to Austin, Texas this past July 10<sup>th</sup>. We have been very busy in getting settled, and there are a few items still pending, but God has blessed us richly in helping us get lots of paperwork done without too many complications. As also stated previously, the first video project when we arrived was to record six lessons on Evangelism Simplified and six lessons on Biblical Leadership. We are currently working on the editing part of those, as well as some pending videos from past recordings, and Lord willing, they will be available soon.

We surely miss Panama, but my wife and I are committed and thankful for the work of the Lord we are blessed to do. As one good brother once stated, “*There are more than 8 billion souls walking in this world, and the Lord has blessed you with this unique opportunity*”. Certainly, the Lord has been mindful of us, and we cannot thank Him enough for all these blessings. Our son is still in Panama, and we hope and pray there will be opportunities in the near future to be with him again. One of the things I love the most from the church of Christ is the concept of family we all live by. Several of our brethren in Texas have welcomed us with open arms, and brethren from other states have been asking us how everything is going. While we are blessed to have funds to cover most of our living expenses and newly acquired bills, we are in need of additional supporters as the cost of living in Texas does not compare at all with what we had in Panama.

If you are reading this and you are not financially supporting this work of the Lord, please consider helping us. You cannot imagine the smile that is put on our faces every time we meet someone, or get an email, from someone telling us how edifying and helpful the contents of the Spanish Bible School have been. Some of them keep asking us for new materials, which is the main reason we moved to Texas, to be able to use the facilities of World Video Bible School more efficiently. This will allow the maximum amount of materials to be produced during our time here to help those souls which are thirsty for the truth, as well as those who are looking to be better Christians and servants of our Lord. If you are currently helping us financially, thank you so much for helping us do this work of the Lord. You can also help us via online by visiting [www.spanishbibleschool.org/donate](http://www.spanishbibleschool.org/donate) if that method is easier for you.

If you or your congregation would like to know more about the School, please let us know and we can look for opportunities to visit, whether in person or remotely, and let you know of all the good work we can do together for the Lord.

**May God bless you and your family richly today and always!**

**To Him be the glory!**
