

The Joy of Faithful Service

In the journey of life, there is immeasurable joy in being faithful Christians who wholeheartedly serve our Lord Jesus Christ. The pages of the Bible are filled with wisdom and encouragement for those who choose to walk in faith, and it is truly a remarkable experience to witness the transformative power of living a life dedicated to Christ. Our Lord said to a multitude,

*“Let your light so shine before men, that they may see your good works,
and glorify your Father which is in heaven” (Matthew 5:16, KJV)*

Escuela Bíblica en Línea (Spanish Bible School) is a work of the Lord committed to spreading the Gospel among Spanish speakers globally. Unlike a traditional school or preaching school, it follows the model of World Video Bible School and it is being built by using their curriculum. Our focus is on providing **comprehensive, in-depth, and easily understandable Bible courses**, but we also recognize the lack of sound and biblical resources in Spanish-speaking congregations, and because of that, we create **topical videos and other materials** to help them be faithful servants. All of these are free to our audience, but financially supported by faithful congregations and members of the church of Christ.

We are thankful to God for the opportunity to serve Him through this ministry, and we do it joyfully. **We aim to evangelize and edify both believers and seekers.** That is why we seek a balance between Bible courses and topical and evangelistic videos. We recognize the compromise of being a light to this world and the need it has to learn about God and glorify Him. This coming February we will be recording 8 videos on **“Back to the Bible”**, as well as a series of 13 lessons for **new converts**. As you can see, the first will help in bringing souls to Christ and the second will edify them for a life of faithful and joyful service to Him.
