

A PATH TO KNOWLEDGE

Have you ever felt an eager desire to deepen your understanding of God’s Word but didn’t know where to start? If you ever ask yourself that question, you are not the only one, and thousands of souls have found themselves asking the same question, no matter their language, race, or social status. A few months ago, a student wrote the following message:

“While searching for an online course, I came across your portal and really liked it. Even though there’s no formal registration, I want you to know that today I am starting your course just as it is outlined. Congratulations on creating such a valuable resource, as it provides a path for those eager to learn” – Mexico.

This heartfelt note embodies the mission of the **Escuela Bíblica en Línea**—to provide a clear and accessible path for anyone, regardless of their background, who is eager to grow in their knowledge of God and His Word. With courses available 24/7, individuals can study the Scriptures at their own pace. The apostle Paul reminds us in Romans 15:4, *“For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope.”* This hope is what fuels our work, knowing that every lesson taught has the potential to transform lives.

Our courses are entirely free, removing any barriers for those who wish to explore their faith and grow closer to the Lord. Whether someone is new to Christianity or a seasoned believer, our programs are designed to equip and encourage. **This is possible only through the generosity of congregations and members of the Lord’s church**, who share in the vision of equipping souls with God’s Word.

You are a vital part of this journey. Through your prayers, support, and sharing, the impact of Spanish Bible School continues to grow. Every message of gratitude we receive reminds us that the seeds being sown are bearing fruit in God’s perfect timing. This month, we launched the course on Titus, and the one on James will be released very soon. Lord willing, by the end of February, we plan to record the course on Ephesians. Additionally, we are preparing to produce more topical and evangelistic videos to reach even more souls seeking the truth.

Let’s continue to walk *A Path to Knowledge* together, inviting others to experience the joy of learning and growing in God’s Word. Please visit spanishbibleschool.org to explore more about this work of the Lord. If it is within your means, consider contributing to this ministry to help us reach even more souls for Christ.

May God bless you and your family richly today, and always!

To Him be the glory!
