

EVERYTHING IS BIGGER IN...

They say everything is bigger in Texas. The vast landscapes, the grand cities, the legendary hospitality—all of it reflects the state's well-known reputation. Yet, as impressive as Texas may be, it pales in comparison to the immense magnitude of the Lord's Church and the work we can accomplish together for His glory. The Kingdom of God is larger than any state, country, or continent, and its mission surpasses all earthly boundaries. Through **Escuela Bíblica en Línea**, we strive to contribute to this great mission by equipping saints and spreading the Gospel worldwide. A dear brother recently shared these words with us,

"Marlon, the work you do is immense, and we know that not many acknowledge it, but we want to thank you for all your efforts—not only for the Spanish-speaking souls but also for helping us reach them."

In our continuous effort to provide solid biblical education, we are thrilled to announce the release of our latest course on the book of **James**. This 16-lesson series delves into the practical wisdom and faith-building teachings of this powerful epistle. We pray that it will be a great resource for those seeking to strengthen their Christian walk.

Additionally, we have recently recorded the video series **Believe the Bible**, which will soon be available to assist those searching for answers and a solid foundation for their faith. But that's not all—another exciting milestone is on the horizon! Our course on the book of **Ephesians**, comprised of 20 lessons, is in its final stages and will soon be launched.

We are deeply grateful for every student, supporter, and volunteer who makes this work possible. Your prayers, encouragement, and financial support allow us to continue producing high-quality biblical resources. However, the need is great, and just as everything is bigger in Texas, our vision for Escuela Bíblica en Línea must grow to reach more souls and equip more Christians for the work of the Lord.

If you have not done it yet, would you consider partnering with us? **Your support can make a significant difference** as we strive to expand our reach and share the beauty of the Gospel with the world. Together, we can accomplish something far greater than love for a country—we can help grow love for the Kingdom of God! May God bless you and your family richly today, and always!
To Him be the glory!
