

TRAINING SOULS TO TEACH SOULS

An inspired mentor once wrote to one of his students: *"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also"* (2 Timothy 2:2, KJV). This is the heart of what we do—**training souls to teach souls**.

Recently, we were blessed to join the [House to House School of Evangelism](#) in training both the Brown Trail School of Preaching in Bedford, TX, and the Bridge Avenue Church of Christ in Weslaco, TX, in **"Congregational Evangelism."** What made this event especially meaningful was presenting it in both English and Spanish. No matter the language, gender, skin color, or economic status—we are all souls created by God, and His desire is for every one of us to return to Him. Our mission is to equip the church to fulfill that calling with the resources God has entrusted to us.

This impact is seen far beyond events. One of our podcast listeners in Colombia recently shared:

"Good topic. God is faithful, and we must also be faithful and fulfill all our commitments to Him. Without faithfulness in Christ, nothing will be done and nothing will be achieved. Blessings, thank you for sharing."

Feedback like this reminds us of the global reach of this work and the hunger for truth. We are also excited to announce the full release of our first Bible study for ladies in Spanish, [The Christian Woman: Her Virtues](#). Sisters throughout Latin America have expressed gratitude, noting they had never seen such material available in Spanish before. It is already proving to be a great blessing for their growth in Christ.

We thank God for opening doors like these, and we thank those of you who have been walking with us in this mission, as our supporters. The demand for resources continues to grow, and so does the need for help to keep developing them. With your support, we can continue training souls to reach the lost and to strengthen the church wherever Spanish-speaking souls are found.

Would you consider inviting us to come and present this work to your congregation? Together, we can commit the Word to faithful men and women who will teach others also. Please visit spanishbibleschool.org to learn more or to support this mission with an online donation.

By God's grace, let us stay committed to **training souls—so that more may be faithful, more may teach, and more may return to the Father.**

May God bless you and your family richly today, and always!

To Him be the glory!
