

GRATEFUL IN PURPOSE

The apostle Paul gave many simple yet profound guidelines to the Christians in Thessalonica. One of them was *"In every thing give thanks: for this is the will of God in Christ Jesus concerning you"* (1 Thessalonians 5:18, KJV).

This month we are especially mindful of gratitude—not as a seasonal sentiment, but as a daily expression. God continues to open doors for training Spanish-speaking souls around the world, and we thank Him for every life reached through this work.

We are pleased to announce the release of our **20-lesson Hermeneutics course** taught by **Willie Alvarenga**. We also launched the first episode of the new video series **"The Chosen People of God"** with the lesson on **Paul, the Apostle of Jesus Christ**. While this series highlights men and women chosen for specific divine purposes, each video also invites viewers to reflect on God's call for their lives and how to respond to the gospel.

We are now working on the next episode—the **life of the apostle Peter**—and editing our courses on **1 & 2 Thessalonians**, which will include **26 lessons** in total. Additionally, we are preparing a special video to encourage men and women in prison to continue studying Scripture and pursuing transformation in Christ.

Our international reach continues to grow. A gentleman from Spain recently wrote,

"You are a blessing. Greetings from the Canary Islands in Spain."

These islands have faced significant challenges in recent years, yet people there continue seeking truth with joy and hope. Messages like his remind us how far the gospel is traveling and how urgently sound material is needed in Spanish worldwide.

As many think about Thanksgiving, please know that **our gratitude for you is not confined to one day a year**. **We thank God daily for your prayers, encouragement, and support**. As you or your congregation prepares its year-end plans, we kindly ask you to consider including **Escuela Bíblica en Línea**. This work continues to grow, and additional help is essential for producing courses, translations, and evangelistic resources for the church. To learn more or to donate, please visit spanishbibleschool.org.

Thank you for standing with us as we continue serving, together, with grateful hearts and steadfast purpose.

May God bless you and your family richly today, and always!

To Him be the glory!
