

PREPARING FOR GREATER REACH

The work of the **Spanish Bible School** continues to advance, and with that growth comes careful preparation and faithful labor. As the apostle Paul reminded the Corinthians, *“I have planted, Apollos watered; but God gave the increase... For we are labourers together with God”* (1 Corinthians 3:6, 9, KJV). This understanding guides our efforts as we continue planting and watering through sound biblical teaching in Spanish, trusting that all true growth belongs to God while we remain diligent stewards of the work entrusted to us.

We are thankful to report that the course notes for **Christian Evidences** have been completed. Recording sessions are scheduled, Lord willing, for mid March. In a time when faith is constantly questioned, providing clear and well grounded biblical evidence is essential for strengthening believers and helping sincere seekers stand firmly in the truth.

We are also pleased to share that a **Video Editor and Graphic Designer** has joined the team. This development allows greater focus on teaching, translating, and preparing new material, while improving the quality and consistency of our video and visual resources. As he becomes familiar with the workflow and responsibilities of this role, his first assigned project is the *Believe the Bible* series, allowing him to contribute meaningfully while adapting to the processes and standards of the School. We are prayerfully laying the groundwork that will allow students to enroll more formally in the near future as the School continues to grow in structure and reach.

Recently, we received this message from Argentina:

“Hello, I am 16 years old. I have started my first Bible study course by following the course on Philippians, and I want to thank you very much.”

Seeing a young student begin serious study of Scripture reminds us that the gospel continues to unite hearts across cultures and generations.

We are deeply grateful for your faithful prayers and support, through which this work continues. If you would like to learn more about becoming involved, we would be honored to speak with you. Please continue praying for the upcoming recordings and for wisdom as we prepare to reach more souls through the teaching of His Word. Visit spanishbibleschool.org to learn more or to donate online. We thank God for the opportunities He provides and trust Him to give the increase.

May God bless you and your family richly today, and always!

To Him be the glory!
