

## FROM BONDAGE TO FREEDOM

When the Lord declared, *“I am the Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage”* (Exodus 20:2, KJV), He revealed not only His power, but His desire to redeem and guide His people. That same message continues to shape our work today.

As of this writing, we are recording our **course on the book of Exodus**. With the subtitle *From Bondage to Freedom*, this study traces how God, through Moses, delivered Israel and led them toward the promised land. The lessons found in Exodus are rich, practical, and deeply encouraging, reminding us that God not only delivers, but also directs, organizes, and forms His people according to His will. We are also thankful to share that the latest videos of the series **Creation Questions** have now been completed, and the videos on **Proof for God** will be released very soon. These studies continue to support our efforts to present clear, Bible-based answers for those who are seeking truth and for Christians who desire to grow in their faith.

The response from students continues to encourage us. A message from Costa Rica reads:

*“Thank you for this valuable resource and for your selfless service in sharing such excellent Bible lessons. I have begun to follow and study each course, and may God bless you for this wonderful opportunity for in-depth learning. I am motivated to share this site with others, for the glory of our Lord Jesus Christ.”*

It is a blessing to see how the Word of God is reaching hearts and being shared with others, even beyond the places we can physically reach.

We also want to briefly mention a current need. As part of our ongoing efforts to continue serving here, we are in the process of addressing immigration paperwork. We have included a separate letter with more details. We would greatly appreciate your prayers, and any additional help you may be able to provide as we seek to continue this work without interruption.

**We are deeply grateful to those who faithfully support the School.** Your prayers and generosity allow this work to continue and expand. If you would like to learn more or become involved, we would be honored to connect with you. We thank God for the opportunity to teach His Word and to see lives impacted by it. May we all remember that true freedom is found in following Him.

**May God bless you and your family richly today, and always!**

**To Him be the glory!**
