

DOUBLING THE OPPORTUNITY

God has richly blessed the Spanish Bible School throughout 2026. Through the prayers and generosity of faithful brethren, we continue providing sound biblical resources **freely to Spanish-speaking souls around the world**. As Paul wrote, *"For the administration of this service not only supplieth the want of the saints, but is abundant also by many thanksgivings unto God"* (2 Corinthians 9:12, KJV).

We are grateful to report that all ten lessons of our newest course, *How We Got the Bible*, have now been recorded. While many biblical resources have already been published this year, several others await final production. Although the departure of our video editor reduced our expenses, it also left much of the production workload in one person's hands, slowing our progress. For the remainder of 2026, we plan to pause new translation projects and concentrate on editing and publishing these materials, making as much as possible freely available before the year ends.

A SPECIAL OPPORTUNITY TO HELP

\$10,000 MATCHING FUND

Contributions matched dollar for dollar, up to \$10,000, through December 31, 2026.

An opportunity to provide up to \$20,000 in support for the Spanish Bible School.

This opportunity comes at an important time. As congregations prepare their mission budgets for 2027, we humbly ask them to consider including or continuing their support for the Spanish Bible School. While our resources continue reaching more people, our financial and production needs remain significant. We are deeply grateful for the support that allows us to continue preparing and distributing sound biblical teaching to those who need it.

We also invite you to watch our new video, *The Mission Field Is Here*, which shares why the Spanish Bible School's work matters, the opportunities before us, and the importance of continued support in reaching souls with the gospel. We hope you will take a few minutes to watch and share it with others at escuelabiblicaenlinea.org/help.

To those who already support this work, **thank you for your continued confidence, prayers, and generosity**. To those considering helping for the first time, we would be grateful for the opportunity to serve alongside you in taking God's Word to more souls.

May God bless you and your family richly today, and always!

To Him be the glory!

So far in 2026, our YouTube channel has reached viewers in **23 countries and territories** around the world!
